MR. WILLIAM ARBAUGH, Assistant Principal, and MISS BERTHA ROBINSON, Principal, in conference.

TO YOU, THE GRADUATES:

My salutations and congratulations.

You have fulfilled the requirements for this chapter of growing up. These three years at Central have brought you friends, have uncovered interests and have set your direction in the way you will go. That way—whether it be college, or home making, or career making, is important to the community, as well as to yourself.

Your high school has prepared you. You have been participating in the life of the school community. You have had a three year goal and have achieved it.

Now you are ready to enter upon the real thing. You now have decisions of your own to make—alone. I have faith that you are ready to make them.

Mr. William H. Edwards
Department Head

Mr. William Edwards, head of Central's Math Department will explain to his pupils that figures can't lie, but liars sure can figure. In the Math Department the Central students are given the opportunity to develop their mathematical minds by taking such courses as geometry, trigonometry and advanced algebra. Within Central we are able to learn "the science which deals with laws, plane and solid figures, numbers and quantities." Along with

in this country, the system is . . . .

this, Centralites get a view of what our country is today and was yesterday, and how it compares in some ways with other areas of the world. You'd be surprised at their findings! The Social Science Department, headed by Mr. Rogers, offers courses such as history, civics and economics, which are taken throughout a student's stay at Central. These courses help students to understand more fully the United States of America.

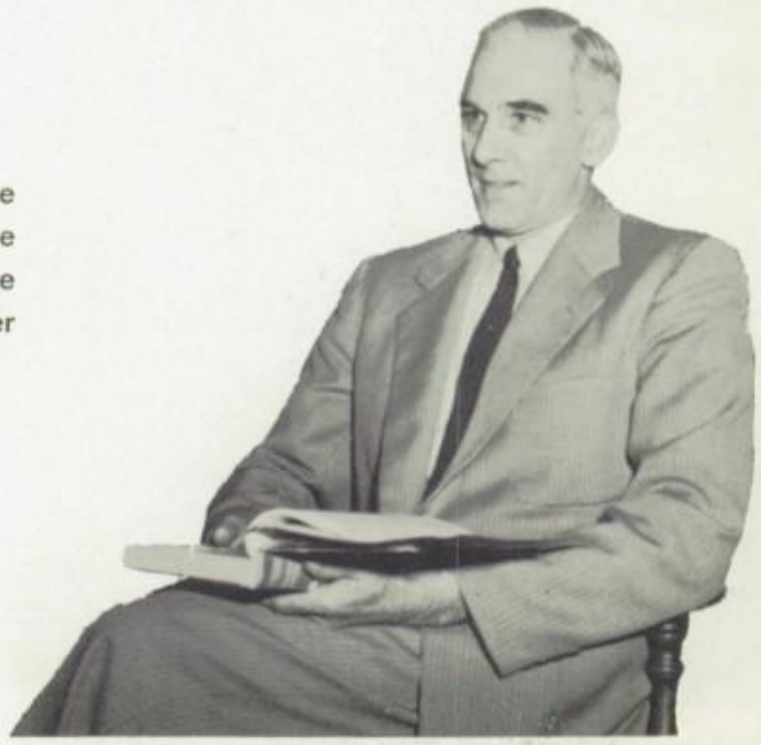
only 3 points more, and . . . .

Tennis, volleyball, basketball, swimming, square-dancing, and baseball are a few of the activities that are enjoyed by all the Centralites in the Health Education Department, headed by Mr. Donald Kelley. The gym provides us with the thrill of swimming meets, those ever-popular dances, and basketball games. Oh, how we love to see one of our boys sink a basket during a tough game! We learn to show good sportsmanship too.

Mr. Donald Kelley
Department Head

"To be, or not to be," . . . .

Dictionary makers are not the ones who determine what is the correct meaning or use of a word. No lawmaking body rules whether one may use "ain't." The idea may be new to you, but even under a dictatorship, the people who speak a language are the ones who decide its usage. These and many more elements which help to build better English are taught in the English Department, headed by Mr. Rosenau.



Mr. Arthur Rosenau
Department Head

nous voyagerons ici, puis . . . .

Centralites are provided with the opportunity for becoming better acquainted with foreign cultures. From the old Latin to the French or Spanish, we are able to learn about civilization from which we derive so many of our own customs. As the students begin their journey along the roads of language, they find as they go a great deal of enjoyment and profit in the languages of our good neighbors. Though perhaps

on the more practical side, are Central's vocational training courses. In the shop we find that there is a definite joy and sense of accomplishment in putting our minds to work through our hands. Then again, the best aspect of such courses as home nursing, child care and home economics is that their value to us, seemingly slight now, will be increased in years

to come. Whether facing a typewriter, or translating what to us looks like an unearthly dialect in the form of a shorthand lesson, we soon discover that the business world will present something of a challenge. Long columns of bookkeeping exercises also figure in this activity, and we figure 'em! But no matter what profession it is that we're considering, it is assuring to know that we'll be prepared with our Central Commercial

training. Among the new vistas revealed to us in Central, the many aspects of science are both challenging and inspiring. What a victory to triumph over a tough physics problem — to get those chemistry formulas figured out. And how thrilling to discover in our biology course the amazing complexity of living organisms. Looking around in our labs at the intent young scientists makes us wonder which of them may further enlighten the

world! Walking through the halls any hour of the day, one may usually hear music floating through the building, or very often see beautifully illustrated banners strung across the halls. And behind it all is the Fine Arts Department, headed by Dr. Harry Seitz, which gives Centralites an opportunity to take such courses as Band, Commercial Art or Ceramics. In this way, students are able to express themselves either with a paint brush or a trumpet.

The Centralite

To My Fellow Centralites:

How are you finding your new yearbook? Different, isn't it? Well, that's just what we wanted. This year, we strove to bring you a radically different book, from its cover to its ads. Every hour spent on its planning and construction have been well worth it. As a remembrance of our years at Central, we will look back at this yearbook. We will look at pictures of ourselves and our friends, and see how we've changed. We shall remember happy experiences, and almost relive them as we turn the pages of this, our 1956 Cntralite.

Fall Student Council

Under the guidance of Mr. Verne Rogers, the Student Council reached one of the goals of previous councils by putting out the Central Handbook. The handbook tells of the organizations, rules, and other items that are of interest to Centralites.

The council was also busy selling tickets to the basketball games this fall. One of their plans was a combined game and dance, the first of the year. It was carried off in style by our council.

Something new has been added to the Council elections this spring. Campaigning for members was carried on in all study halls. During the week of elections, candidates had posters in both halls and study halls. The supporters also paraded around the school with slogans for their favorite candidate.

Programs rustled, voices stilled, the lights dimmed, and the curtains parted when the January, 1956 senior class presented its play, "The Curious Savage."

The production's leading lady was Marsha Lowinger, portraying Mrs. Savage. Lois Schurgin, Seymour Linovitz and Arthur Harris played her children, who, imagining their mother insane, placed her in a rest home. She befriends several patients, Hannibal (Elliot Solomon), Jeffrey (Bob Naftaly), Florence (Marlene Pearlman), Mrs. Paddy (Marlene Engel), Dr. Emmet (Shel Brown), and a nurse (Marilyn May).

Directing the production was Miss Rosemary Downs, and student director, Judy Roth.

The Man Who

What would you do if a quite unwelcome visitor happened to break his leg, and had to stay at your home? That was just the case in our June senior play, "The Man Who Came To Dinner." Mr. Whiteside makes himself at home at the Stanleys'. What happens when this character does everything he can to make the family miserable, is enough to keep us chuckling for quite some time.

Sportsmanship First!

Just because the home team has lost, don't wear a frown. That's what the Sportsmanship Council says.

The club, under leadership of Coach Wilmont Sanford, practices what it preaches in the student exchange. Central changed hands with Redford this year, when members of Redford were given a tour of the school.

The club is continually enlarging because of the interest of students. Ways of promoting relations between schools are discussed. Everyone has a part in carrying out good sportsmanship. And if you want to express your view, this is the club for you.

Future Scientists

Can you explain photosynthesis? Or recite Archimedes Principle? If your interests lie in this direction, the Science Club is for you.

If you happen to walk past the chemistry room, you might find the club members and their sponsor, Mr. Alfred Ottewell. They may be experimenting, seeing a movie, leaving for a field trip, or just talking and having a good time. The plans for the semester included a trip to the Ford Plant, Michigan Bell, and Scott Paper Company.

Quill & Scroll

Signifying outstanding writers in the field of journalism is a small gold pin which is the emblem of the Quill and Scroll, an international organization. Centralites who belong to our chapter, the Walt Whitman Chapter, become life-long members of Quill and Scroll by submitting a piece of their writing for judgment. Each is in the upper third of his class, and has a recommendation from Mr. Birger Bakke.

Heavenly Music

This year the band, under the direction of Dr. Harry Seitz participated in the Annual Spring Festival. They played in the city-wide high school concert which was given at Mackenzie in May, and also played at graduation.

Central's choir appeared on a broadcast in March over WWJ. They participated in the Spring Festival and also in many other programs. During the Christmas season, the choir could be heard in the halls singing Christmas carols.

The Ensemble, which is composed of the orchestra and voices, performed Victor Herbert favorites and a Tribute to Romberg at Central's Annual Spring Festival. The Ensemble has done a number of shows around the school and also sang at graduation.

Girls' Basketball

Central's girls' basketball team surely showed them! Both our Varsity and Reserve teams played good basketball and showed fine sportsmanship too. Coach Fitch

For Football Fans...

Many a fan was thrilled by an open field run or an extra point scored by our football team. The season of '56 wasn't too bright for the Blazer Eleven, but through it all, they showed the best sportsmanship possible, and they never stopped playing to win. The game with our rival, Mumford, drew the biggest crowd, but Centralites were at every game rooting for their team.

Our Cross Country boys certainly had a rough workout this past season. I can still remember their flushed faces and sweat-soaked jerseys as they returned from a rugged race.

They worked together well and looked good on the course. This teamwork didn't just happen though; they trained hard to achieve it. Many hours were spent on improving the boys' endurance.

The final and grand reward was the trophies and the glory that the team brought to Central.

At Your Service...

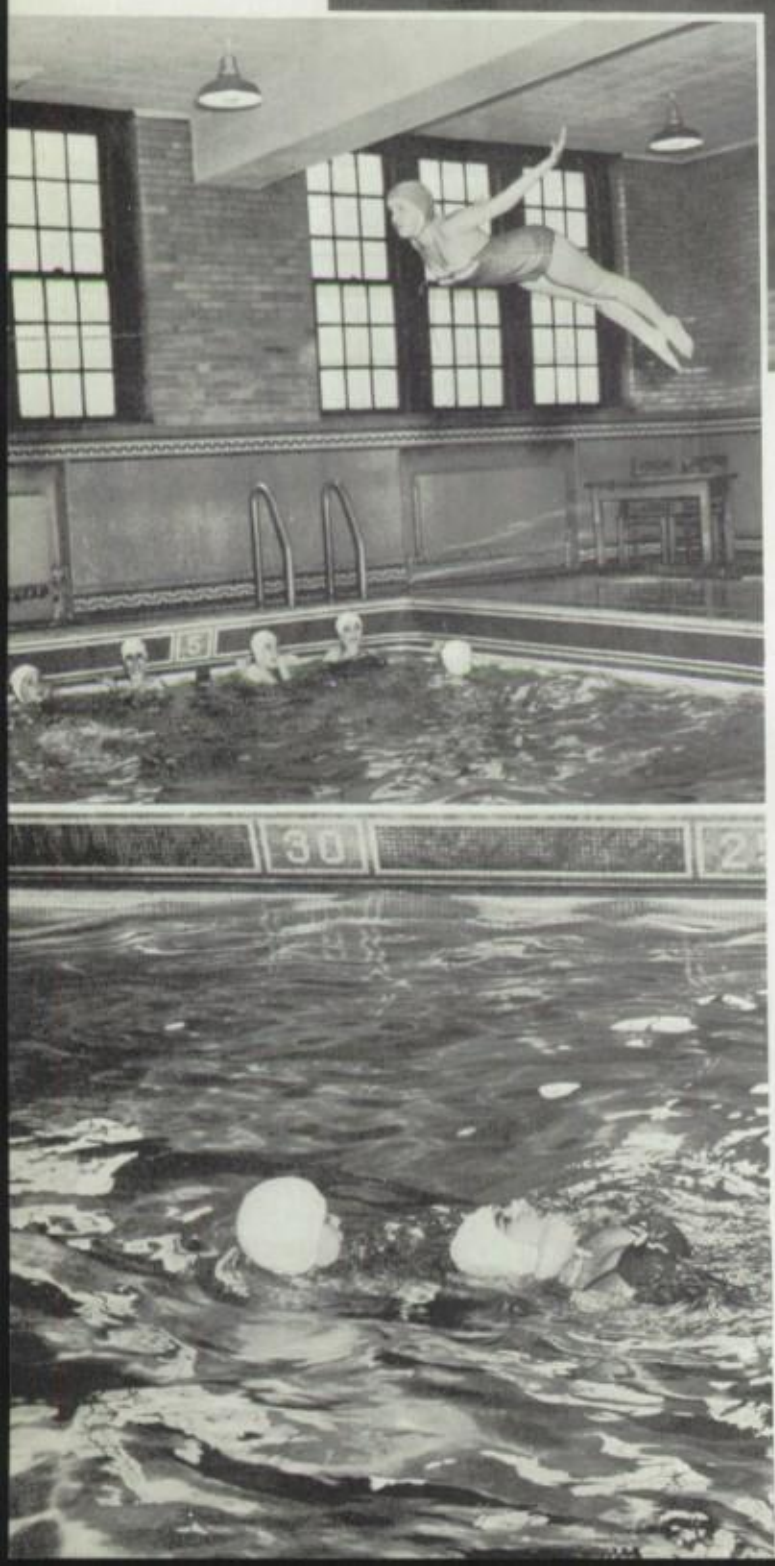
Our Girls' Athletic Association, under the sponsorship of Miss Ernestine Burton, completed another active and successful year. The variety of events included the Annual Letterwomen's Banquet, the selling of pins, beanies and shirts. The girls, when needed, ushered at graduation exercises, citizenship assemblies, and athletic events. G.A.A. helps to encourage and promote school spirit and sportsmanship.

"C" Club

Fellow Centralites proudly display their white and blue "C" sweaters. The boys who qualify for membership in the club work diligently toward earning their varsity letters by participating in athletic events. Under the sponsorship of Coach Van Vleck, the various activities were ushering at games and the selling of Central sweatshirts. "C" Club members promote good sportsmanship by being good sportsmen.

Coach Van Vleck

"C" CLUB—Row 1—M. Weisenfeld, E. Loren, D. Cole, B. Jones, N. Young, L. Pelto, W. Blake, T. Taylor, W. See, D. McCurdy.
Row 2—R. Wolfe, W. Warren, T. Shook, B. Sage, A. Rubin, I. Jaffe, B. Shulman, S. Lopaten, R. Lindsay, L. Arnold.
Row 3—E. Sklar, L. Starr, L. Thorpe, W. Prior, M. Gordon, B. Brown, A. Abrams, G. Landsman, W. Hall, S. Worthy.
Row 4—J. Guttman, J. Branch, J. Goldberg, M. Kahan, D. Olshanski, M. Davis, S. Fox, P. Zdanowicz, T. Brode, J. Wilson.
Row 5—J. Brown, B. Simms, J. Liker, D. Landy, M. Walker, W. Snowden, H. Cohen, C. Ogier, K. Lifton, W. Fussel.



GIRLS' LIFESAVING CLASS—standing—from left to right: R. Shiver, E. Kestila, R. Klavens, P. Gillespie. Kneeling: H. Freedman, J. McKinney, K. Darden.

Girls' Lifesaving Class

A cry of pain was heard from the middle of the pool. I jumped in. Gasping, I swam to the aid of a sinking companion and with gentle assurance, a proper head carry and the approving eye of Mrs. Clara Dierdorf, I saved her. Then it was my turn to drown. Not really of course! In lifesaving class, we take turns being the rescued and the rescuer.

A perfect combination of work and fun, with just a tinge of regret that we couldn't have a swimming team made earning our American Red Cross Lifesaving Cards a nice experience.

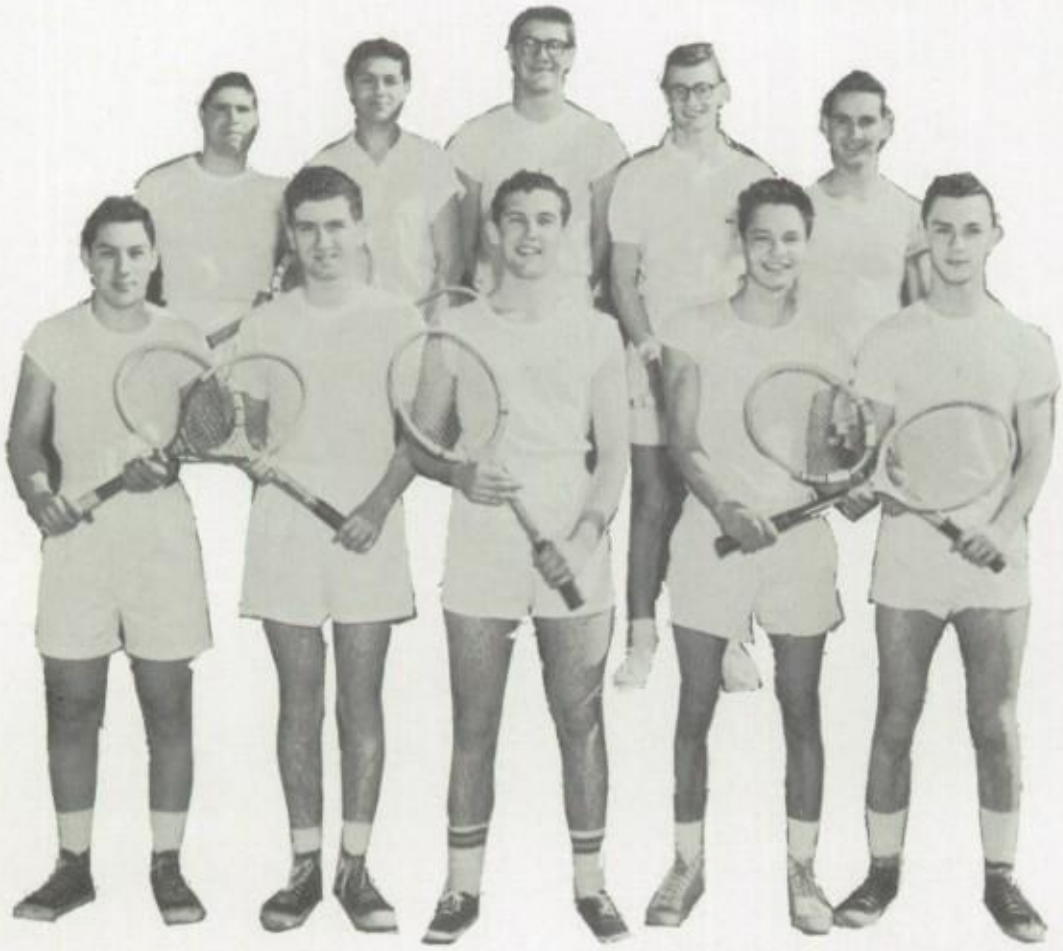
Boys' Swimming Team

Won't forget the season of '56 when we had meets with Mumford, Cooley, Cody, Southwestern, Western, Chadsey, Redford and Mackenzie. Won't forget when the end of the season found us represented in the City Swimming Preliminaries. Won't forget Mr. Donald Kelley's able coaching. Won't forget the cub reporter who followed the team to every meet.

Can't forget the "swim, swam, swum" that was heard after each meet symbolizing sportsmanship. Can't forget the experience of hitting that cold water each time. Don't want to forget the lasting friendships I made.

BOYS' SWIMMING TEAM—Row 1—R. Solloway, M. Weisenfeld, R. Wolfe, H. Greenblat, D. Wiener, G. Landsman
Row 2—M. Madden, R. Marcia, G. Carson, M. Schmittle, B. Zock, L. Homer, L. Zucker

I sure do wish I could play tennis like the boys on the Tennis team. Good luck to the fellows who will be trying hard to win the East Side Championship after finishing a close second in last year's competition.



Boys' and Girls' Tennis Teams

We can really be proud of our Girls' Tennis team too. They were strong competitors all season. Most of all I think we can be proud because of the good sportsmanship the girls showed in every match they played.

Batter Up!

During my three years at Central, I attended most of the baseball games. I loved them. The atmosphere at the game was just like the big league, and the only thing missing was a hot dog and a bag of peanuts. I remember the excitement when a batter would beat out a homer or hit a bunt. I remember those long practice sessions, too, and how the boys really trained. Workouts paid off though, because our team played a good high-spirited game all season.

Terrific Track Team!

Coach Sanford

Whew! That was a close race. Just like all the others. Our track team sure was great this year. We won first place on the West Side, and came in fourth in the city. Our boys sure did a good job. They furnished a thrill a minute for the Centralite fans.

TRACK TEAM—Row 1—D. McCurdy, L. Pelto, A. Trailer, W. Blake, J. Brown, B. Seay, W. Jones, C. Sabbath
Row 2—Coach Sanford, C. Greer, O. Brown, C. Brown, F. DeVold, W. Brunson, I. Jaffe, A. Delidow, W. Fussell
Row 3—F. Watson, A. Davis, A. Lovejoy, M. Jenkins, B. Snowden, R. McMurray, J. Ashby, C. Ogier
Row 4—B. Lindsay, R. Johnson, R. Davis, E. O'Neil, B. Swint, S. Orum, C. Mim
Row 5—W. Hall, N. Young, E. Porter, J. Bryant, A. Green, J. Gross, G. Morrison, B. Citron

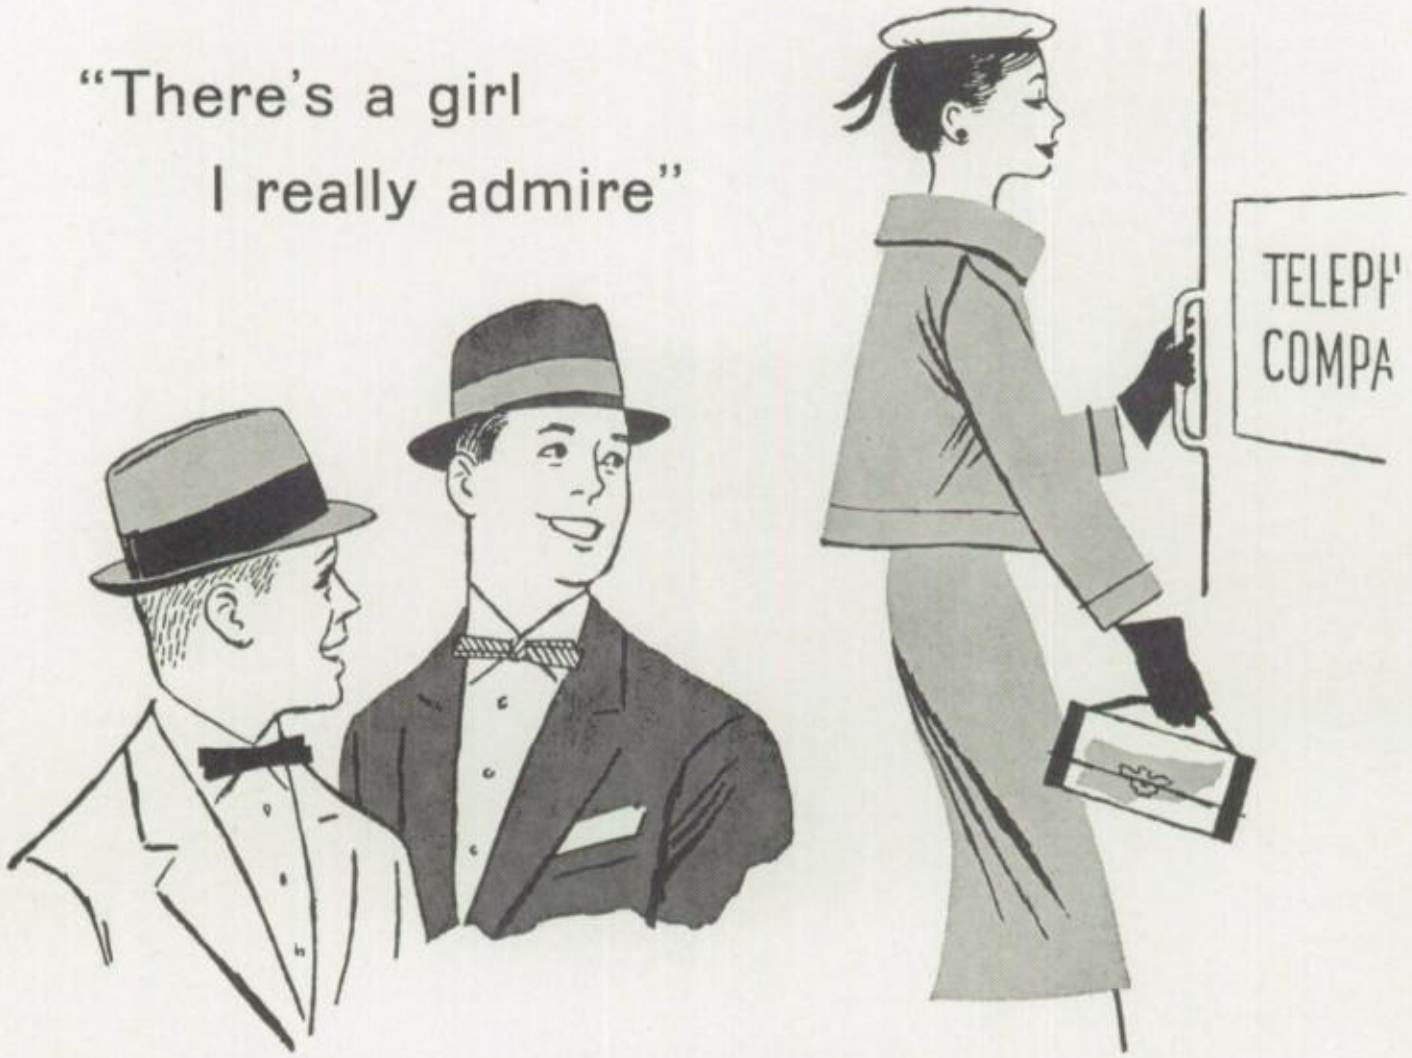
it's "touch and go" these days

There's little lingering in the laundry anymore. The washing is disposed of the automatic electric way. Set washer or dryer dial and away you go . . . to other jobs . . . even out of the house.

And the interesting thing is, by the time you change from Miss to Mrs., automatic electric work savers will have made your life more than ever "touch-and-go."

DETROIT EDISON



You'll hear that remark many times about telephone girls. Most people recognize that girls who work for Michigan Bell are not only attractive, but also smart and useful citizens.

When Jean started her job, she had no telephone experience. But she was trained with other beginners by friendly, understanding supervisors. Today she's proud of her work; enjoys a fine salary, vacations with pay, regular wage increases, and many new friends.

Jean was delighted from the very first by the clean, pleasant surroundings, by the regularly scheduled midmorning and midafternoon "breaks" for relaxing in comfortable lounge rooms. And she found the company thoughtful and considerate in so many ways, such as sending girls home in taxis when they worked the late evening shift.

Telephone work offers many advantages! Why not get in touch with us now? Find out more about the interesting jobs from which you can choose after graduation—customer representative, telephone operator, accounting and clerical work.
